4. Those in such need are asked to complete a short form to assess eligibility.
5. A second hamper may be available on request and is at the discretion of the Marketplace Director to provide such a hamper.

Ongoing Provision of Free and Low Cost Food

6. Food Hamper recipients are welcome to return to our Marketplace store which is open seven days a week and offers a limited number of free grocery items that change from time to time. You can also access other low-cost products to offset your needs and help you recover.
7. Marketplace will make every effort to meet your food requirements. From time to time however, the ability to supply products depends on the resources available and therefore no guarantee can be given as to the amount or variety of grocery products that can be supplied.
8. Marketplace is not the manufacturer of any grocery products supplied and is not responsible for any contamination or lack of quality of any products supplied.

We would like to thank our sponsors for their generous provision. Our hope and our prayer for everyone who is afforded this support, is for them to be able to recover and journey ahead.
